MEMORANDUM FOR: Mr. [REDACTED]

25X1

SUBJECT : SI and T/K Clearances for
National Archivist and Deputy

1. Per your request we have briefed Dr. James O'Neill, Deputy Archivist, for SI and T/K to permit him to attend the ICRC meeting. The question now comes up, who will conduct and pay for the background investigation required by DCID 1/14. I suggest that since the ICRC wanted the members appropriately cleared, that you have them use the NSC mechanism and get the FBI to do the investigation.

2. For Your Information, Mr. James B. Rhoads, Archivist, said that he did not believe he needed the clearances since he can share the work with Dr. O'Neill. He was also concerned about possible limitations being put on his foreign travel by virtue of being approved for special access. We acquiesced and did not force the clearances upon him.
